Total spending by all groups		\$5,216,110	\$4,082,828	\$3,631,747	\$3,548,391	\$16,479,076	47%				
Notes											
<p>The figures presented in this spreadsheet were last extracted from the underlying, hyperlinked financial forms in early October 2024. In some cases the underlying forms had more than one row for Africa spending; in these cases the figures from these rows were added up</p>											
<p>* Figures for Bethany Christian Services, which has two filings covering different parts of the large organisation, have been included in one figure. The underlying numbers can be found in the forms for Bethany Christian Services Inc and Bethany Christian Services Inc - Group Return</p>											
<p>** Heartbeat International figures are summations of rows in their filings where spending is allocated to particular countries. See tab "Heartbeat International additional detail" for the underlying figures and links to financial filings for this group</p>											
<p>*** Focus on the Family is registered as a church and is not required to file IRS form 990. However, it still publishes copies of this form on its website and for its donors.</p>
